

Being Together Is Not Enough

Part 2. Publication. Five Years.

Launch Event/s at Five Years

4-13 October 2019

Call for participation.

As a contributor to
~~Being Together Is Not Enough~~
we invite you to further participate.

You are asked to contribute to two things:

1. A printed **publication** to be produced from your contributing projects at Five Years in Part 1. May 2018).
All editorial responsibility, control and copyright are entirely yours. Without interference.
All contributions to the publication will be accepted.
2. A series of timetabled **Reading/discussion events** to coincide with the publication launch at Five Years (4-13 October 2019)

1. Publication.

The publication will be produced as part of Five Years Publications: Public Series (No.8 - ISBN 978-1-903724-18-7) as Print on Demand. *

All editorial control and copyright resides with **you** (the contributor/participant).

You may

- design and send (to Five Years) your material complete and ready to print.
- send material with design instructions (to Five Years/ Edward Dorrian) determining layout.
- send material for layout to be designed by Five Years (Edward Dorrian) with the option of advising (within reason) on alteration/edit.

Final edit of your content, of course, remains with you.

Deadlines for contributing vary depending on how you wish to send material. See all deadlines (overleaf)

2. Reading/Discussion events

(to coincide with publication launch at Five Years 4-13 October 2019)

Please indicate if you'd like to participate by presenting

- A one hour performative event * relating to your contribution to the publication. How 'performative', 'discussion', 'reading', etc, may be considered, is of course up to you, without editorial interference.

and/or

- within a 'round table' open (public) discussion with other participants.

Timetabling will begin (Spring 2019) after the deadline for confirming participation in Publication.

- * Your proposed activity must operate within the one-hour time frame and must not interfere with the participation of others without their consent.

Each proposed activity may be recorded for documentation and possible future publication. Participants have full access and editorial rights. (All rights reserved).

Five Years cannot guarantee to provide materials, equipment or internet access for proposed ideas.

Proposed activities must not breach health and safety guidelines.

Deadlines:
